

## **A Psalm from the Heart**

**What could I possibly give to The Lord for all His blessings toward me?**

I will praise Him at **all** times, with my **whole** heart!

My mouth declares the praises of God!

I will declare His glory among the heathen, His wonders among all people!

I will enter His gates with thanksgiving; His courts with praise!

I will praise The Lord as long as He gives me breath!

I will praise Him for His mighty acts!

I praise Him for His lovingkindness and tender mercies!

I will say among the nations, "The Lord reigns!"

I praise Him for every good and perfect gift which He bestows on us!

I will show forth the praises of God who brought me out of darkness into His marvelous light!

I sing praises to the God of my salvation!

**There is NONE like The Lord – our God!**
